2023-24 (for the thirteenth /fourteenth/ fifteenth cohort)

Title	Objectives	Deliverables	Target	Selection mechanism	Duration and venue	Evaluation	Expenditure
1. English Public Speaking Course	To boost students' public speaking skills	Students are able to enhance their public speaking skills and have the confidence to join territory-wide public speaking competitions.	10 S4-5 elite students	Students were recommended by subject teachers.	Eight 1.5-hour sessions were held in the second term.	Students learned a lot from the trainer and got ample opportunities to speak on the stage. 100% of the participants found the course useful as it helped them improve their speaking skills and confidence. In fact, three out of ten students got good results in the HKFYG Public Speaking Competition. One of the three students was the District Semi-finalist and two of them were the District Finalists.	\$12,000
2. English English Debate Skills Training Course for aspiring debaters	To enhance students' debating skills and public speaking skills; To enhance students' linguistic competence	Students would participate in inter-school debating competitions.	8 S4 students in debating team	/	/	The course was supposed to be conducted for students who joined the Sing Tao English Debating Competition. However, the English Debate Team lost the preliminary round and therefore the course was not provided to students.	NIL
3. Cross-KLA Chinese Debate Skills Training Course	To provide speaking and debating training for the selected students.	Students would participate in speaking related and debating competitions.	25 S4-S6 students	Students were selected based on their Chinese oral results in the previous academic year.	136 hours Lessons were held after school or via Zoom Meeting throughout the year.	Students took part in different debating competitions, such as the 39th Sing Tao Inter-School Debating Competition, Hong Kong Debating Premier League and the 4th Dream Compassioneers Debate Competition. Some of the students won Best Debater awards in different rounds of the competitions.	\$40,100

4. Music DSE Music Network Programme	In view of the small number of students opting for Music, this Network Programme with other schools can help to cater for students' diverse needs	Students are able to pass in exams. Students have over 80% attendance throughout the year.	1 S4 student and 1 S6 student who considered music as their career and were recommended by the music teacher	According to the students' musical ability and the potential of obtaining a pass result in this subject without dropping out	Sep 2023 to Aug 2024 Lessons were held at the host school of the cohort.	S4 student had over 90% attendance throughout the year while our S6 student had around 70% attendance as she was not well to attend some of the classes. The S6 student obtained a fair result in the 2024 HKDSE music examination and put Music as her first choice in JUPAS. Students were considered as potential musicians while more improvement needed to be made in order to obtain a better result. From the tutor's comments, both students had positive learning attitude and had been trying their best in this programme. The programme really benefited their learning in music.	\$14053.8
